Introduction

Let's change the pace a little! The next division is construction and the category is formal. These 4-H'ers look as if they are ready for the prom or any formal occasion.

Second Contestant

Allison Wernike from Montague County has chosen the simple classic lines of the orient for her formal gown this year. She has accented the black, jacquard fabric with gold buttons. The semi-fitted, full length gown features a mandarin collar and mock loop closures. Allison, you look very mysterious in your oriental formal.

Scene 3:

Introduction

The Specialty category begins with bright colors and a lot of pizzazz. Watch, as we head for the beach.

Third Contestant

Andrea Jouridine, Culberson County, has chosen a colorful, diagonal plaid for her bathing suit. The suit with its high neck and criss-cross straps in the back is made of cotton and spandex. With her coordinating hot pink, draw string shorts, Andrea is ready for the water or a volleyball game in the sand. Have a great summer, Andrea!
