

## Water Conservation Songs

### **Gallon, Gallons, Gallons**

*(To the tune of "Row, Row, Row Your Boat")*

Drops, drops, drippety drops,  
Drizzling down the drain,  
It's my job to turn it off,  
I want to save that rain!

Cups, cups, cups of water,  
Running down the drain,  
It's my job to turn it off,  
I want to save that rain!

Gallons, gallons, gallons of water  
Rushing down the drain,  
It's our job to turn it off,  
We all have much to gain.

## WATER, WATER, WISE

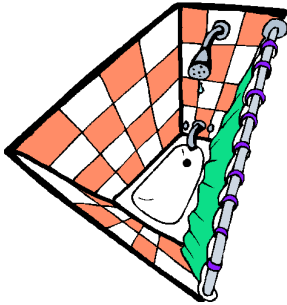

(To the tune of "Old MacDonald Had a Farm")

In our house we have a sink,  
Water, water, wise.  
But we don't let the water run and run,  
Water, water, wise.

(Chorus)

Because... *(Draw out and pause)*  
It takes a gallon here and a gallon there,  
Here a gallon, there a gallon,  
Drip, drop! Gallon, gallon!  
We don't let that water run,  
Water, water, wise.

In our house we have a tub,  
Water, water, wise.  
But we don't fill that tub real full,  
Water, water, wise.

Because... *(Draw out and pause)*  
It takes a gallon here and a gallon there,  
Here a gallon, there a gallon,  
Splish, splash! Gallon, Gallon!  
We don't fill that tub real full,  
Water, water, wise.

In our house we have a shower,  
Water, water, wise.  
But we take our showers nice and quick,  
Water, water, wise.

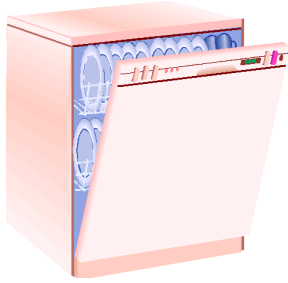

Because... *(Draw out and pause)*  
It takes a gallon here and a gallon there,  
Here a gallon, there a gallon,  
Wish, wash! Gallon, gallon!  
We take our showers nice and quick,  
Water, water, wise.

In our house we have a toilet,  
Water, water, wise.  
But bugs and trash we don't flush down it,  
Water, water, wise.

Because... *(Draw out and pause)*  
It takes a gallon here and a gallon there,  
Here a gallon, there a gallon,  
Flush, flush! Gallon, gallon!  
Bugs and trash we don't flush down it,  
Water, water, wise.

In our house we have a dishwasher,  
 Water, water, wise.  
 But we don't run it till it's full,  
 Water, water, wise.

Because... *(Draw out and pause)*  
 It takes a gallon here and a gallon there,  
 Here a gallon, there a gallon,  
 Swish, swish! Gallon, gallon!  
 We don't run it till it's full,  
 Water, water, wise.

In our house we have a washer,  
 Water, water, wise.  
 But we fill it full before we wash,  
 Water, water, wise.

Because... *(Draw out and pause)*  
 It takes a gallon here and a gallon there,  
 Here a gallon, there a gallon,  
 Swoosh! Swoosh! Gallon, gallon!  
 We fill it full before we wash,  
 Water, water, wise.

Outside our house we have a sprinkler,  
 Water, water, wise.  
 But we water only when we should,  
 Water, water, wise.

Because... *(Draw out and pause)*  
 It takes a gallon here and a gallon there,  
 Here a gallon, there a gallon,  
 Sprinkle, sprinkle! Gallon, gallon!  
 We water only when we should,  
 Water, water, wise.

At our house we all use water,  
 Water, water, wise.  
 But, we conserve it every chance we get,  
 Water, water, wise.

*(Chorus)*  
 Because... *(Draw out and pause)*  
 It takes a gallon here and a gallon there,  
 Here a gallon, there a gallon, Water, water! Gallon, gallon!  
 We conserve it every chance we get,  
 Water, water, wise.
